

- *First solutions,  
then mechanical industrial engineering -*

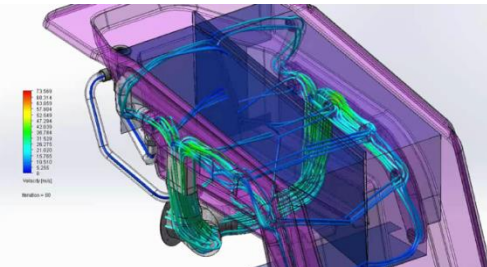

*- The strength of a great team-*

Value added...

Eguren R&D Solutions, is a mechanical ENGINEERING company:

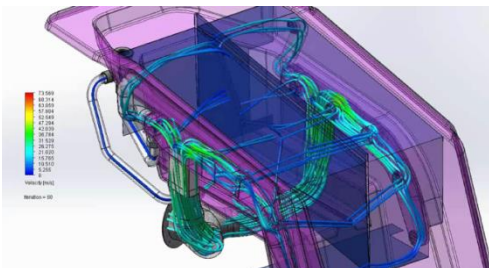

*“specialized in engineering applied to  
design  
industrial machinery and equipment”*

Philosophy: custom engineering, the customer at the center

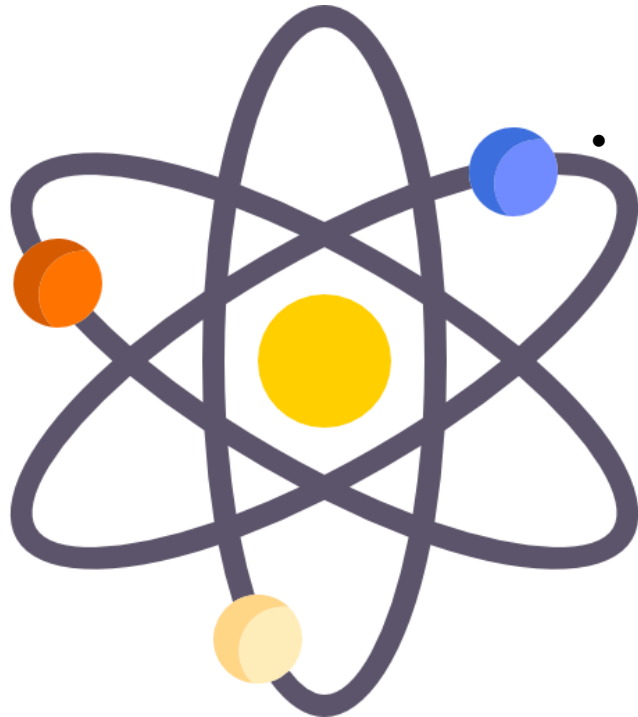

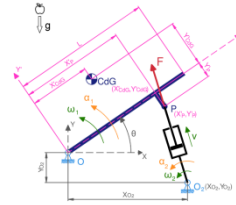

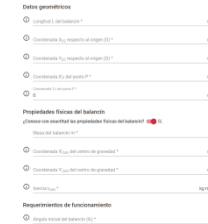

## Added Value... DIFFERENT

- We offer engineering solutions, external, aimed at manufacturers of machinery and equipment.
- Our solutions are based on 4 pillars:
  - KNOWLEDGE.
  - METHODOLOGY.
  - TECHNOLOGY.
  - EXPERIENCE.

## Added Value... DIFFERENT

- **KNOWLEDGE:** we offer you a team of engineers, experts in the different areas required in the machine design process.

- **METHODOLOGY:** In our methodology, the client, his system and requirements, are the axis on which the entire project revolves.

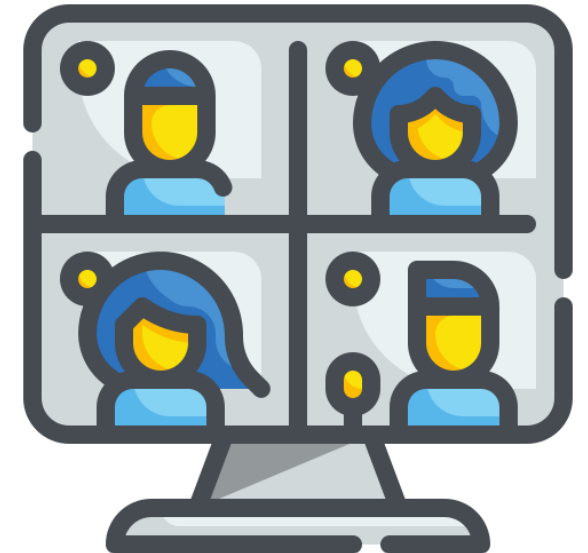

## Added Value... also ONLINE

- **ONLINE:** don't worry about the **DISTANCE**, we have the tools and we are **HABITED** to work online.

*SEE YOU on the SCREEN*

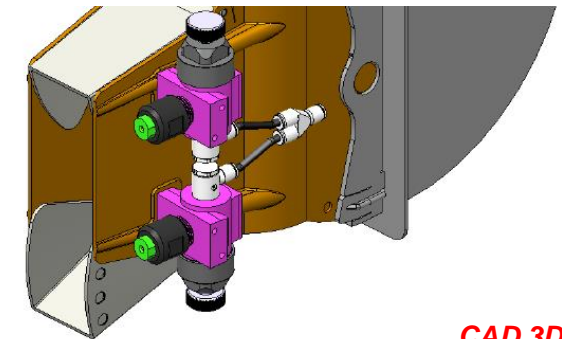

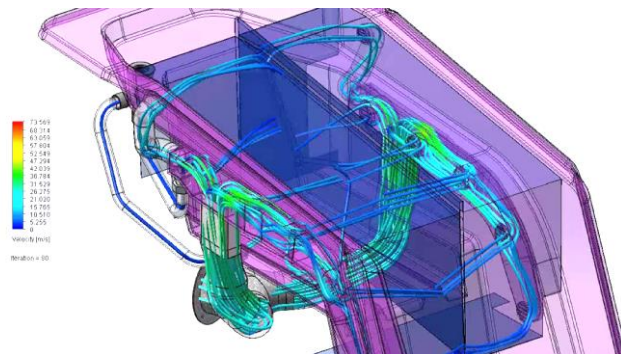

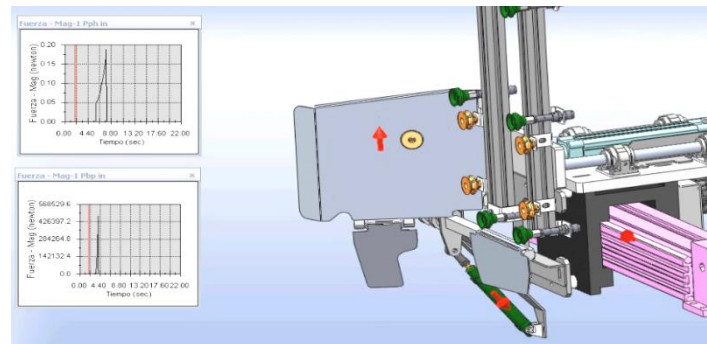

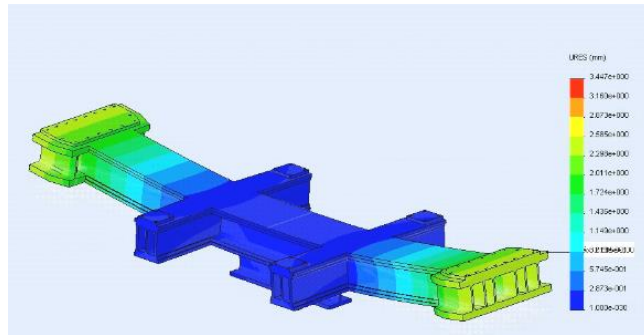

- We will be **more effective**.
- We will **reduce** travel **costs**.
- The **planet** will thank us.

## Added Value... DIFFERENT

- **TECHNOLOGY:** We apply and master engineering technologies that advance with firm step to the best solution (CAD 3D, virtual prototyping, RV, 3D printing).

### VIRTUAL PROTOTYPES

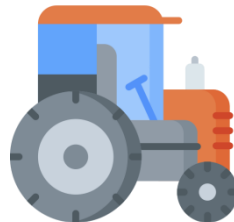

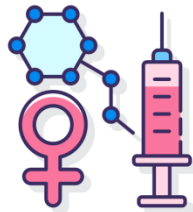

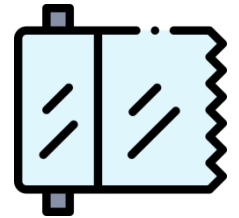

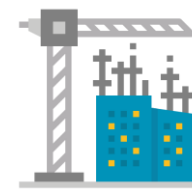

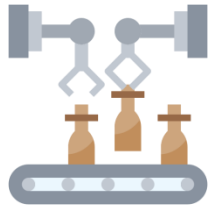

CAD 3D

Added Value... DIFFERENT

- EXPERIENCE: Know How of **15 years** and more than **800** developed **projects**, applying engineering in different industrial sectors.

*EXPERIENCE IN DIFFERENT SECTORS*

Added Value... DIFFERENT

we give SOLUTIONS to our CLIENTS

# Added Value ... OPINIONS

WE LISTEN to our CLIENTS

*“Transforman nuestras ideas en realidades”*

Ignasi Garriga  
Responsable de Mantenimiento, Bonarea - Corporació Alimentària de Guissona S.A.

”

*“Trabajo profesional, trato cercano, un equipo en el que confiar”*

Ramon Blanch  
Propietario, Apícola Junedenc S.L.

”

*“EGUREN R&D Solutions nos aporta alta calificación y experiencia en análisis y desarrollo de producto”*

Victor Teixiné  
Gerente, Movitec

”

*“Partner, Eguren R&D Solutions = Compromiso + Innovación”*

Àngel Rossell i Roig  
Director General, Payper

”

*“Aporta a nuestro equipo experiencia, recursos técnicos y confidencialidad para transformar ideas y nuestros requerimientos en un producto comercial de éxito”*

Toni Verdú  
Director, HTV

”

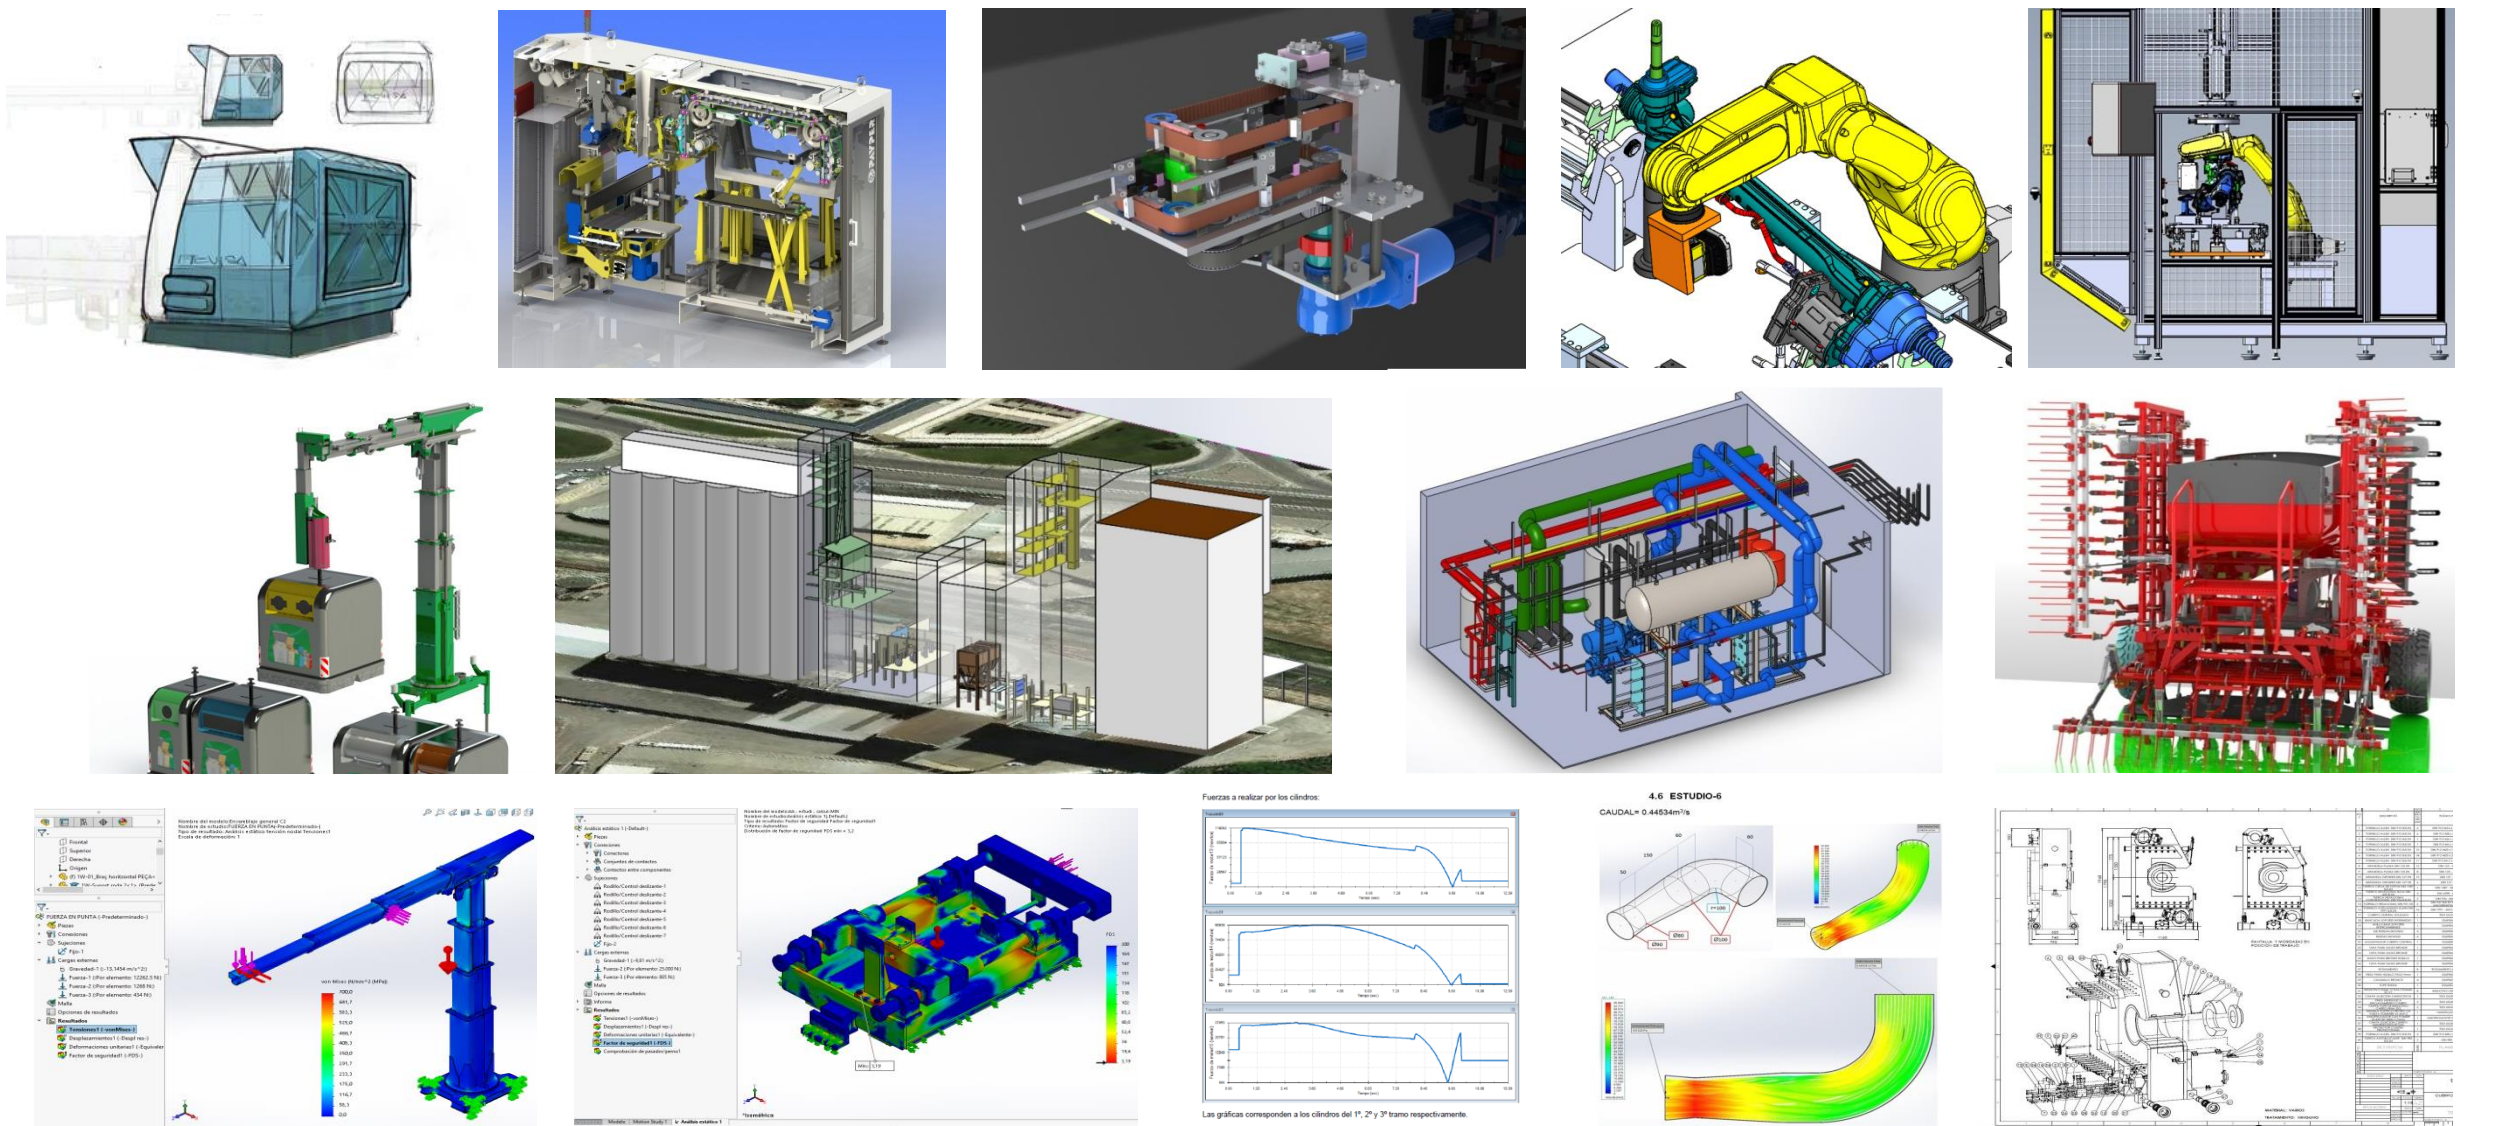

*“Eficiencia, responsabilidad y compromiso técnico con los proyectos de TRADINSA”*

Jordi Salud  
Director General, Tradinsa

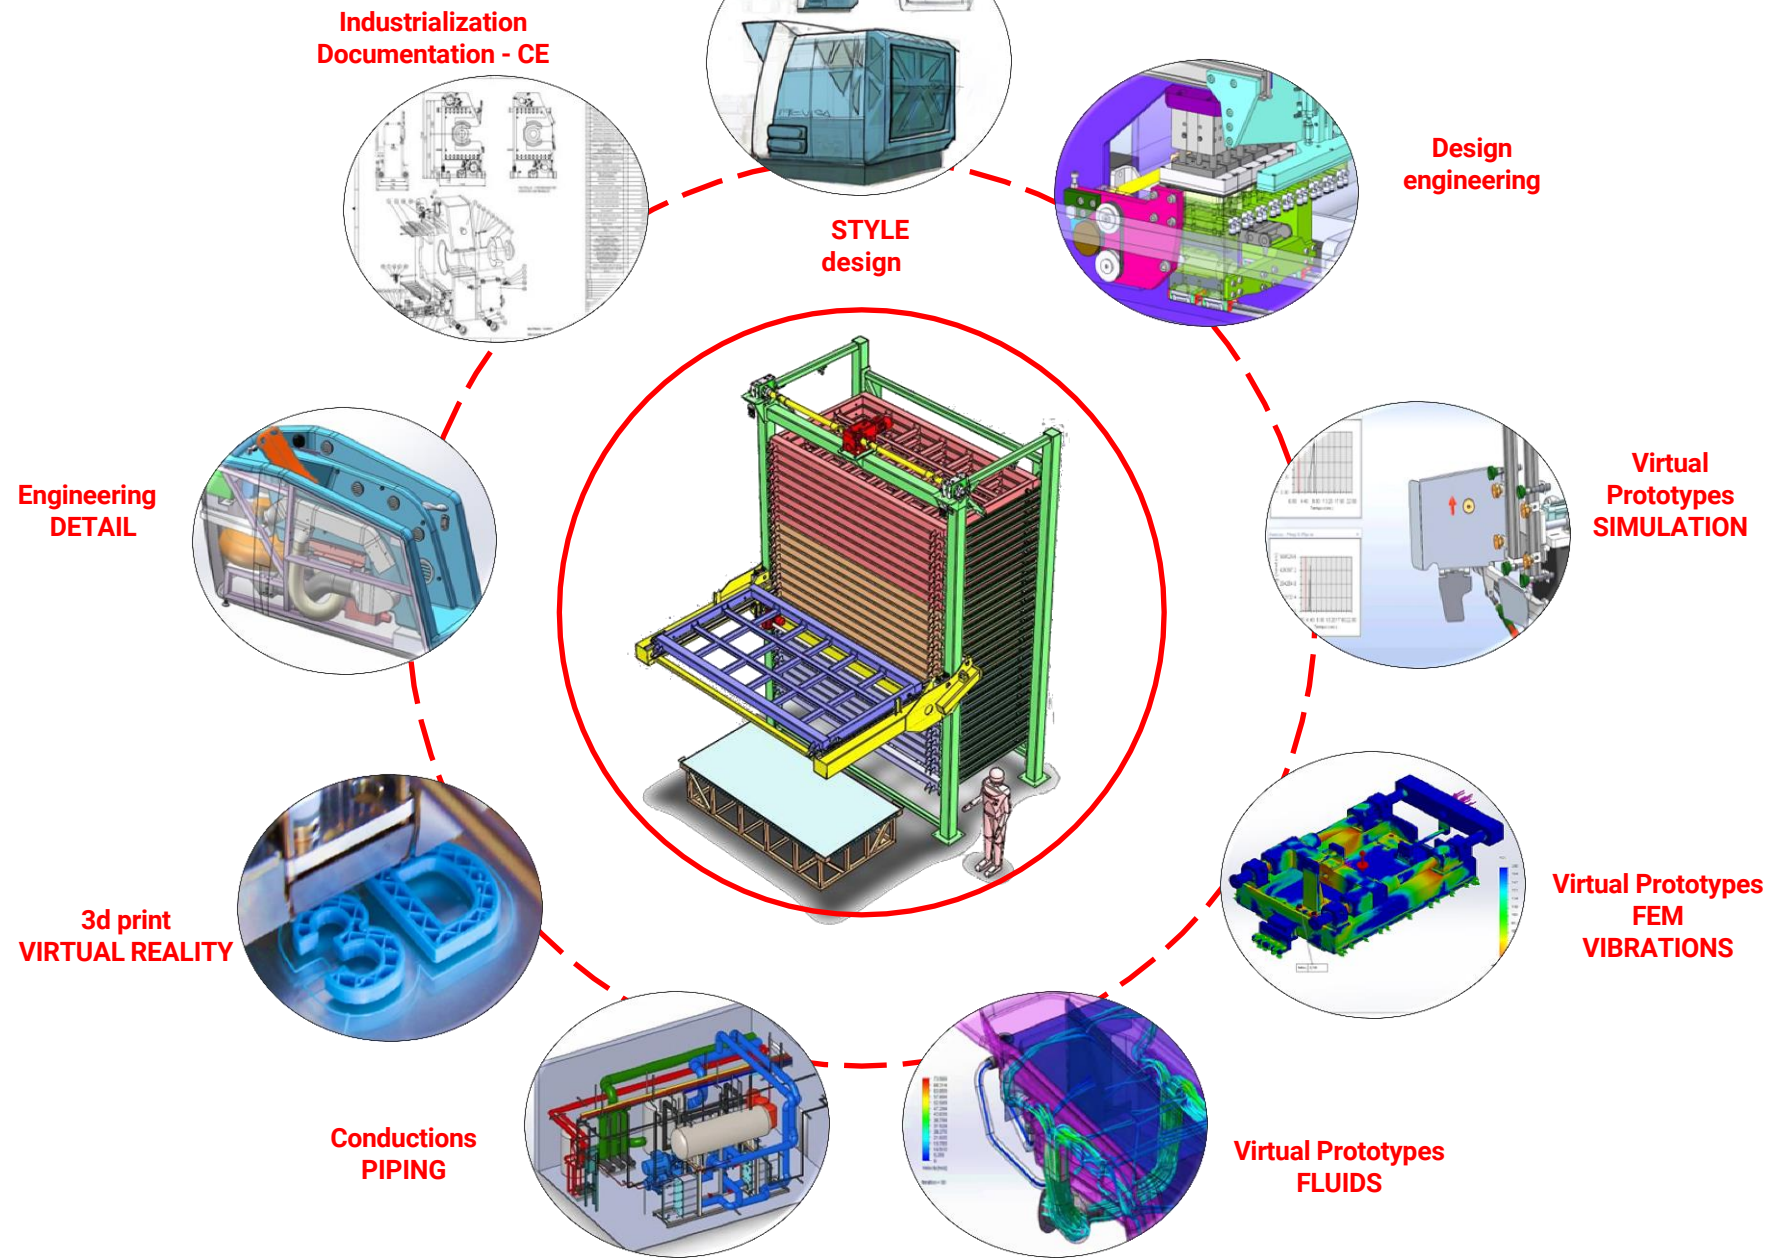

”

# Added Value... SOLUTIONS

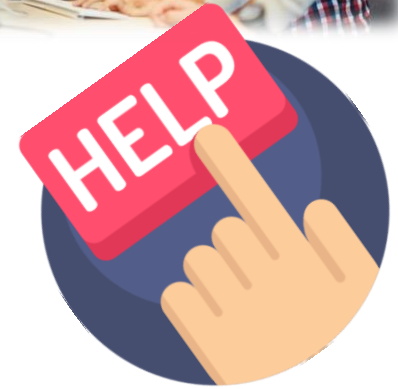

Customized solutions

*Where do we start?*

*- Join talents, for the best SOLUTION-*
